More Perfect Union, organizer

More Perfect Union is media with a mission. The powerful spent decades selling us their side of the story. We aren't buying it anymore. We're telling the stories of the forgotten and left behind. We can't do it without you. Help us build power for working people by becoming a grassroots contributor today.

More Perfect Union Foundation is a nonprofit education, advocacy, and journalism organization with a mission to build power for the working class. We tell the stories of working class Americans by covering policy, labor, business, and economics news through a class lens. We pair our reporting with issue advocacy to promote policies that support families and the working class.
